INTRODUCTORY COMMENTS

This communication is responsive to the Notice of Non-Compliant Amendment dated November 14, 2007. An inadvertent word processor error caused some portions of the claim amendments as filed in response to the June 26, 2007 office action to lose their formatting. Enclosed please find the claims with amendments marked correctly to reflect the changes. No new matter has been added.

Amendments to the Claims begin on page 2 of this document.
